

Massage Therapy Sedona

Massage & Bodywork

Our highly-qualified and professionally licensed massage therapists bring years of experience to customize a therapeutic massage that serves your specific needs. Our beautiful facility has large treatment rooms that will further enhance your relaxing and therapeutic experience.

We offer a variety of popular and effective therapeutic add-on services, and can accommodate parties of 6 or more. Any specific requests or preferences should be made at the time of reservation, and you can view our Online Schedule at your leisure.

60 minute session – \$59
90 minute session – \$79
120 minute session – \$110

Facials & Skin Care

We offer high-quality traditional and clinical aesthetics in a professional and relaxing environment, at affordable prices. Our traditional facial includes deep cleansing, microdermabrasion, extractions, massage, mask and nourishing moisturizing. See and feel an immediate difference in your skin's texture, clarity, and smoothness. Additional clinical services are customized as follows.

(2-hour) Massage & Facial Combo - ONLY \$119

This special includes a 1-hour Massage and a 1-hour Facial and comes with a Free AromaTherapy Upgrade. Add 30 minutes to either treatment for just \$20.

Acu-Massage: \$69/ (60 mins), \$89/ (90 mins)

This is a massage and bodywork treatment that includes an acupuncture treatment, as well as the use of other modalities of Chinese medicine including cupping, gua sha, tui na, and electro acupuncture.

The whole body, inside and out, is affected with this style of massage that uses meridians and traditional Chinese medicine to

balance and homeostasis. Each session is preceded by a health evaluation to assess your entire system.

massage therapy
